

Songfest 2010 Rules & Regulations:

- 1.) Entry fee of \$12.00 per song
- 2.) Deadline for entries is May 21st, 2010
- 3.) All finalists will be notified no later than May 28th, 2010
- 4.) Cash prizes in all categories PLUS one Overall Grand Prize!
- 5.) Finalists will have the opportunity to perform their song **live** at the Finalist Showcase/Winners Announcement on Sunday, June 6th, 2010 (excerpts from finalist songs may also be played on cassette tape or CD)

Some important things to remember:

Eventide policy requires that all co-writers be properly credited.

If you send a cassette, put your song entry at the beginning and be sure to rewind the cassette all the way.

If you send a CD, be sure to check to make sure that it plays back properly on a boom box or home CD player.

Mark all entries clearly. Cassettes should have labels with song title and contact info, CD's can have labels with song title and contact info, OR you can write directly onto the CD itself.

Judges are listening for *song quality* rather than recording quality. Studio recordings are great. Good quality home demos are fine too, but make sure the vocal is out front enough so the lyrics can be clearly heard.

Please try to keep intros and solos as short as possible.
