2022 PAST PERFORMANCES

Our custom is to customize.

Maybe you long for an extraordinary Cape Cod home of your own. Or you're out to make family vacation memories by renting a stunning waterfront property. Either way, isn't it nice to work with someone who makes the extra effort to find, or even create, a **one-of-a-kind real estate solution, made to order for you?**

EVENTIDE
THEATRE
COMPANY

Greetings from the Artistic Director

I need to start by thanking you for your warm welcome in 2022 as I assumed the role of Artistic Director for the wonderful Eventide Theatre Company. Because of your support we had sold out audiences and artistic successes for all of our shows. We plan to ride that wave this year as we open with the classic Arthur Miller drama *All My Sons*. We are fortunate to have a Cape favorite as our director for this one as Nina Schuessler takes the reigns of this compelling piece of art.

Our theme this year will focus on standing side by side with your our audience member as we invite you into the theatre but also as we branch out to connect and stand with our local community. In addition to our regular season we will be producing a Cabaret Night in June featuring some of the Cape's finest talent. We plan to host this event at the Cultural Center of Cape Cod and the evening will include refreshments, prizes and auction items. Watch our website for more information. We also hope to stand side by side with our students on the Cape. Our fall production of *Next to Normal* deals with a families struggle with mental illness and we plan to provide wrap-around services and curriculum guides to our local high school students.

As always we need you to stand with us to make this happen. Please consider one of the many ways you can become involved. We invite you to become a member, a donor or event o sponsor one of our shows. We cannot do this without you so please make Eventide your "home" theatre and support us in any way you can.

Thank you again for welcoming me to Eventide and showing me such support and love. I will close with a quote from *All My Sons* that captures the responsibility we at Eventide feel about adding theatre to our community:

"You can be better! Once and for all you can know there's a universe of people outside and you're responsible to them."

We take our responsibility in your lives very seriously and hope you will join us for our exciting 2023 season.

Love,

Donna Wresinski

In Memoriam

In July of 2022 Eventide and the Cape Theatre scene at large lost R. Michael Wresinski. Michael was a huge Eventide supporter and when he moved to the Cape in 2012, his first show was at Eventide. Michael was the consummate actor, director, father, friend and husband. Eventide would like to dedicate the 2023 season to this man who is sorely missed by many. A scholarship fund has been set up in his name. Please see an usher or our house manager if you would like to donate. We love you Michael "2."
